MEMORANDUM FOR: [REDACTED]

FROM: Walter Elder
Executive Secretary, NFIB/NFIC

SUBJECT: Revisions of DCI Directives: Cosmetics Phase

1. There are nine DCI Directives which are of primary interest to the

25X1

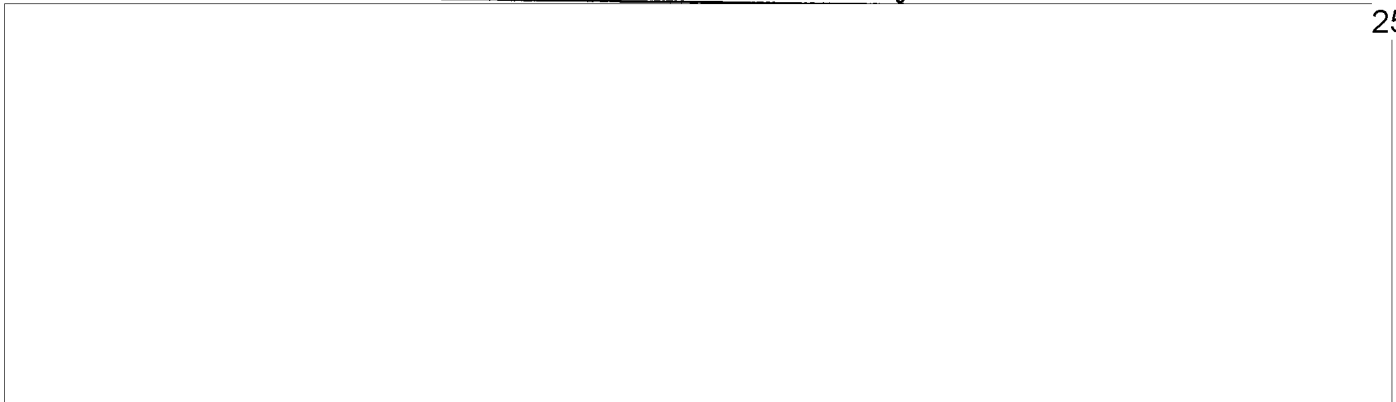

2. We have agreed that [REDACTED] can probably be re-issued with minimum cosmetic revisions as follows:

25X1

Replace Executive Order 12036 with Executive Order 12333.

Replace and National Security Council Intelligence Directives with and as directed by the National Security Council.

25X1

6. I then recommend we put 1982 effective dates on them, request the DDCI/DCI's approval to publish, and not go through any Intelligence Community coordination process.

SUBJECT: Revisions of DCI Directives: Cosmetics Phase

7. All of the above is without prejudice to any later action which may be taken with respect to NSCIDs.

8. None of the above precludes required revisions of any directive at any time.

9. Completion of these revisions will enable us to wrap up the DCID review and to issue the revised series as a controlled coument. It will also pave the way for instituting a numbering system for ease of reference.
